State-of-the-Art Equipment

Unsurpassed in quality, cleanliness and comfort—our equipment offers you a safe recovery with countless possible activities. Most of our equipment is designed and manufactured by McFee Medical Technologies. The ergonomically correct designs provide back and neck support to eliminate discomfort or stiffness.

EZ Sleep

The EZ Sleep Support System is the most versatile and comfortable sleep system available. It is a must for face-down recovery!

The EZ Sleep can be configured and used in **THREE VERSATILE WAYS** —

When used on the bed:

- Gently supports you in the face-down position to help prevent rolling over in the middle of the night
- Elevates your head off of the mattress so you can breathe easily

When used on a table top:

- Provides a comfortable face-down option for eating, playing games, watching TV and conversing

When used in conjunction with the Travel Cushion:

- Sit on any chair, sofa or car seat and remain face-down
- Provides infinite options for your mobility

Seated Support

The Seated Support lets you get up and out of bed to enjoy life. Fully adjustable to most body shapes and sizes, the Seated Support positions you in an ergonomically correct seated position and features an adjustable work desk. Use the work desk for eating, doing crafts, playing games or simply as an arm rest.

The Seated Support can be used in conjunction with the MajicView™ Mirror. Enjoy television and visiting with friends. The Seated Support is easily transported on its convenient built-in wheels... take it outside on your patio or porch or move it from room to room. When not in use, the Seated Support can be folded and rolled out of the way.

To order, call **1.800.669.5323**
or visit us online at **www.mcfteetech.com**

Face Support

The Face Support System provides the ultimate in table top or bed support. The Face Support is fully adjustable and offers you many daytime activity options as well as a position for sleeping. The Face Support is also compatible with the Travel Cushion.

Table top configuration:

- Do crafts, eat, play games, and converse with friends

Bed configuration:

- Use in conjunction with our arm rest off the end of the bed for additional airflow (order separately – see website for picture)

Included *free*
with every package.

MAJICVIEW™ MIRROR* *US PATENT, NO. 6,352,347

The patented MajicView™ Mirror works like a periscope to let you view objects straight ahead of you while keeping your head in the face-down position. You can use the MajicView™ Mirror to watch TV or simply visit with friends. Feel part of the action by seeing your friends faces – not their shoes. Use the MajicView™ Mirror with all McFee Medical Technologies equipment!

TRAVEL CUSHION

McFee Medical Technologies developed the Travel Cushion to let you remain face down while on the go. The Travel Cushion can be used with components of either the EZ Sleep or the Face Support to remain in the face-down position while sitting on the couch or in a car.

ALSO INCLUDED

- Crescent Face Cushion and 3-Pad Face Cushion
- Flannel Covers
- Instructional DVD

Free
Water Bottle
with every rental.

MCF 2016A

EZ Chair

McFee Medical Technologies is excited to introduce the **EZ CHAIR** - The first and only post-operative vitrectomy support chair that has been exclusively designed for face down positioning and a successful recovery from vitrectomy surgery. This ergonomic and technically advanced chair offers comfort and safety features not found on any other vitrectomy chair. It is the only chair that lets you easily adjust your position without having to get off of the chair by simply pushing a button.

- Full automatic, electrically powered control with a push button remote
- A step through design
- Fold up knee pads
- Nine adjustable points of motion
- Memory and High Density Foam
- Anti- Bacterial Vinyl
- Latex Free Vinyl
- Lightweight aluminum construction
- High Quality Castors for Easy Portability
- UL Listed Power Supply

We put our 18 plus years of experience in post-operative vitrectomy recovery to work in the design and construction of this chair. See the video at www.mcfeetech.com or on YouTube at: www.youtube.com/mcfeemedtechnologies 

“With my arthritis I knew that I needed the most comfortable chair available. The EZ chair far exceeded anything else I tried. I loved being able to adjust my position easily without having to get off the chair and the foldable knee pads were great.” A.H. Michigan

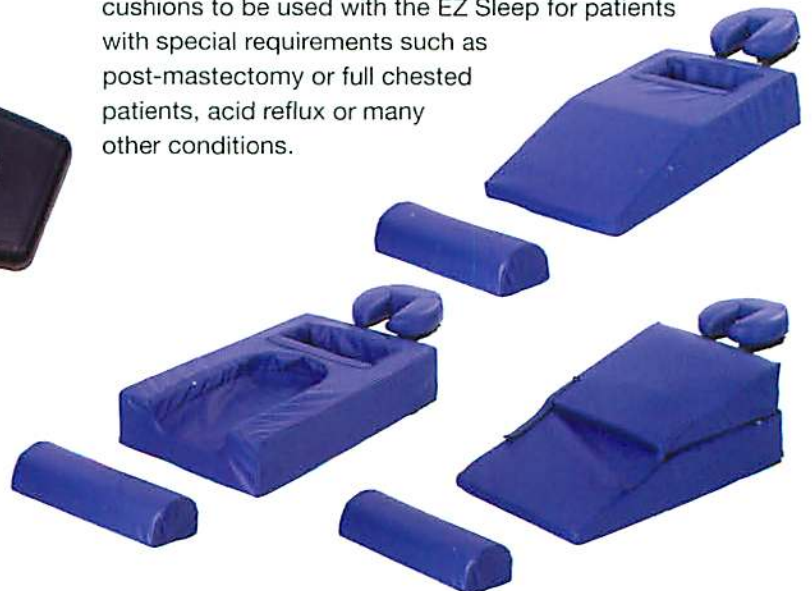

Roll Over Alarm

The exclusive Roll Over Alarm allows you to sleep in peace without the worry of rolling over and not waking. An audio alert sounds if you move from the face down position.

Body Cushions

McFee Technologies offers a variety of custom body cushions to be used with the EZ Sleep for patients with special requirements such as post-mastectomy or full chested patients, acid reflux or many other conditions.

Individual products and accessories are available for rental or purchase. Please contact McFee Technologies for pricing.

Shipping Terms & Conditions

Free shipping charges apply to all rentals and are for UPS/FEDEX Ground shipments with normal weekday delivery. Unit(s) are shipped to the patient's shipping address. Pre-paid return labels are included with the shipment and a next day pick up by UPS may be arranged at no additional cost. Other shipping options are available at an additional cost to the patient. Please contact McFee Medical Technologies for more information. Fuel surcharges may apply.

Rental Terms & Conditions

McFee Medical Technologies accepts the following credit cards: Visa, MasterCard, Discover and American Express.

1 week rental charges and any additional shipping charges will be billed to the credit card on file prior to shipment. If you do not have a credit card, you can pay by Debit Card, Check, Money Order or COD (check on delivery) for the full amount before the equipment is shipped. The rental unit(s) will be shipped to arrive two (2) business days before date of surgery if time permits; rental begins on date of surgery. **All rental fees will be charged to the patient prior to submitting an insurance claim for possible reimbursement.** All insurance claims submitted on behalf of the patient are ultimately the responsibility of the patient. After 90 days, the patient's credit card will be billed for all outstanding amounts including co-pays and deductibles. A signature on file is required for submitting your claim.

All units must be returned to McFee Medical Technologies in good condition, allowing normal wear and tear. The patient has two (2) business days to return the equipment to a UPS location at the end of rental. If the unit is not returned within this time the remaining balance of the "purchase price" (less the rental fee) may be charged. If the units are needed for additional periods of time please contact our office to make arrangements. **If the order is cancelled after the units have been shipped, a cancellation fee of \$50 (and current fuel surcharge) will be charged.** A restocking fee of \$50 will be charged to the credit card on file or billed to the patient for any Non-Smoking equipment returned with the odor of smoke.

Disclaimer

Thank you for using a product of McFee Medical Technologies ("McFee"). McFee provides easy-to-use and versatile equipment including, but not limited to, the EZ Sleep Body Cushion, Quicklock Face Rest, Crescent Face Cushion, Rollover Alarm, MajicView Mirror, Travel Cushion, Seated Support, EZ Chair Seated Support, and various accessories and attachments (the "Equipment"). The Equipment is not a medical device. Any information that you receive from McFee shall be considered general non-medical advice and may not apply to your individual circumstances. You should consult your registered physician or health care provider regarding the use of any of the Equipment, including its suitability for your individual circumstances. If you have certain medical conditions or are prone to certain medical conditions, including related to the positioning inherent in the use of the Equipment, you should consult with your registered physician or health care provider prior to use. McFee, together with its agents and affiliates, and on behalf of any assumed names they may operate under, expressly disclaims any warranties related to the Equipment, either express or implied, including any implied warranty of merchantability or fitness for a particular purpose. Any opinions expressed related to the Equipment are subjective and not warranties as to the Equipment. To the fullest extent permissible by law, the sole and maximum liability, for any reason, and the sole and exclusive remedy for any cause of action whatsoever against McFee (including any of its agents and affiliates), shall be limited to the actual amount paid by you for the Equipment.
